Services & Pricing Guide

Welcome

Hi, I'm Candace Junée, CEO of The Candace Junée Agency, where we help churches, corporations, and entrepreneurs maximize their digital presence, increase engagement, and drive meaningful impact. With years of expertise in digital marketing, automation, and business strategy, I've helped countless brands generate millions in revenue, expand their reach, and create powerful online communities. My mission is to equip organizations with the tools, systems, and strategies needed to thrive in today's digital world—whether that's through scalable marketing solutions, event strategy, or executive leadership development.
